- Thursday, June 15th, 7pm

RSVP required

Eastern Time

Watkinson's internationally award-winning debate team is looking for new members! This activity welcomes all Wat students — Upper and Middle Schoolers, introverts and extroverts alike. For over a decade, Watkinson has partnered with **Westfield Academy**, a local community debate school, to make this amazing extracurricular activity available to our students. Debate creates global citizens, lifelong learners, and leaders. It helps you become a strong public speaker and analytical thinker, develop a broad and deep interdisciplinary knowledge base, keeps you up on current events and helps you get college scholarships. Plus it's tons of fun! **[Click here to see our awesome competitive record.](#)**
